Welcome Home!

Welcome home to this thoughtfully designed & meticulously maintained contemporary home in the desirable Lexington Estates neighborhood of Great Falls, Virginia. Situated on a private 0.72-acre lot, the property is surrounded by lush landscaping, creating a backyard oasis—complete with a Koi pond, patio, putting green, expansive sun deck with Trex decking, and in-ground pool. This home offers over 4,000 square feet of finished living space across three levels (including the loft). It features 6 spacious bedrooms, 4 full bathrooms, 2 fireplaces, a 2-car garage and 1.5-car garage.

A stately entrance welcomes you with stone steps, a mahogany front door, and a stacked-stone façade. Inside, the expanded foyer with a raised ceiling sets the tone for the striking interior. The sun-drenched living room features dramatic vaulted ceilings, tall windows, and a stone-stacked gas fireplace. The adjoining gourmet kitchen is a chef's dream, showcasing flat-panel cherry cabinetry, granite countertops and backsplash, stainless steel appliances, two sinks, and a generous island with bar seating. The adjacent dining area offers a second stone-stacked gas fireplace and provides the perfect open setting for hosting. From the kitchen, an open loft area provides flexible space for an office, game room, or playroom.

A bright octagonal sunroom—part of a thoughtful addition—leads to the stately main-level primary suite, complete with tranquil views of the pergola and fenced backyard. The suite includes a large walk-in closet and a spa-inspired bathroom featuring a skylight, custom circular double vanity, new soaking tub, and oversized glass-enclosed shower. Three additional bedrooms are located on the opposite side of the main level—one with a private en-suite bath—and a second full hall bath has also been tastefully updated. A spacious family room with a wet bar, beverage fridge, and ice maker offers the ideal space for entertaining and relaxing.

Finishes throughout include hardwood flooring, terra cotta tile, skylights, plantation shutters, recessed lighting, organizational closets, and Andersen® windows—attesting to the home's exceptional craftsmanship and care. The fully finished lower level features a welcoming mudroom with custom cubbies, two additional bedrooms, a renovated full bath, a walk-in storage closet with built-in shelving, and a large laundry room with utility sink, cabinetry, and dual dryer hookups.

Conveniently located just one stoplight from Route 7, this property offers easy access to the vibrant centers of Tysons, Reston, and Great Falls Village, as well as nearby parks, Riverbend Country Club, Wiehle-Reston East Metro and Dulles Airport. Come and see this entertainer's dream home in the heart of Great Falls.
